

# Farm Manager

## Mid Norfolk

Our client seeks to appoint a dynamic, self-motivated individual to take the day-to-day responsibility for growing 1700 hectares of combinable crops, sugar beet and maize.

Reporting direct to the owner, and working in conjunction with a haulage enterprise and AD plant, the successful applicant should be able to demonstrate:

- A proven track record of crop production and attention to detail;
- Exceptional communication and team management skills;
- Relevant agronomic, practical and organisational experience using modern farm machinery;
- An ability to keep accurate records using IT/Gatekeeper Software;
- Formal qualifications including PA1/PA2 certificates.

The position offers a competitive remuneration package including a 3-bedroom bungalow and vehicle.

Please apply in strict confidence by Monday 26th March 2018 with a covering letter and CV to Roger Wraight: [rwraight@wilsonwraight.co.uk](mailto:rwraight@wilsonwraight.co.uk)
