

JOB VACANCIES

Our client is a progressive and successful 3500 acre business in Suffolk farming arable, sugar beet, potatoes and onions to a very high standard.

Due to continued growth, three exciting full time opportunities have been created to join an established and highly skilled team operating a fleet of cutting edge modern machinery. The successful applicants will demonstrate attention to detail, aspiration for excellence, a positive attitude and a good sense of humour.

Attractive remuneration commensurate with experience will be offered.

Skilled Arable Operators x 2

Main responsibilities to include de-stoning, irrigation and haulage work in addition to general farm work throughout the year. PA1, PA2 and forklift certificates an advantage but not essential as training will be provided.

Forklift Operator / General Farm Worker

Will be responsible for the loading of potatoes and onions in and out of store and assisting with general farm work, including irrigation and cultivations, during the year. Industrial forklift and telehandler certificates are essential, as are excellent organisational skills.
