

We are seeking an Agricultural Business Analyst to join our growing team on a full-time permanent basis. The successful applicant will support the Partnership and its Consultants via the provision of detailed financial reports, enabling our team of experts to continuously deliver professional consultancy services of the highest standards.

Job Title: Agricultural Business Analyst
Location: Bury St. Edmunds, Suffolk
Reports to: Partner
Salary: Competitive, commensurate with experience
Contract Type: Full-time, Permanent

Benefits:

- Extensive training
- Staff incentives and rewards scheme
- Bupa health Scheme
- Flexible Working Policy
- Generous Pension Scheme

About Wilson Wraight

Led by five Partners, our range of management services cover all aspects of running agricultural businesses, providing honest and impartial assessments of client needs and bespoke consultation.

The growth and success of Wilson Wraight is attributable to our dedicated team of experts who pride themselves on forging close relationships with clients, understanding individual needs and providing a professional and personalised service.

With 30 years of experience delivering the highest level of agricultural business consultancy and a strong belief in the importance of integrity and relationships with our clients, we are considered as leaders in our field.

Key Areas of Responsibility

The role covers many areas of responsibility, including but not limited to:

- Compilation, validation, and analysis of accurate financial information
- Preparation of Management Reports, Budgets and Cash Flows
- Interpreting results and explaining / understanding reasons for change
- Liaising with Partners and Consultants to ensure targets and deadlines are met

- Communicating effectively, both in writing and orally, with clients, colleagues and fellow professionals
- Preparation of client facing reports that effectively present key results
- Researching and keeping up to date with any relevant developments in accounting software
- Help to maintain our high standard of professional services
- Work with the Partners & Consultants on a variety of day to day tasks to assist with the delivery of our professional services

The Successful Applicant

The successful applicant requires the following pre requisite skills;

- Excellent analytical and numerical abilities
- Scrupulous attention to detail and effective time management skills
- Ability to function both as a strong team player and a focused individual
- Experienced and at ease with delivering reports to decision makers
- Expert working knowledge of Microsoft Excel
- Ability to learn, understand and apply new technologies
- Capable of working under pressure and to tight deadlines

The following are desirable, but not essential:

- Accountancy / book keeping experience
- Experience of working with cloud-based accounting systems
- An interest in UK agriculture

Please apply in strictest confidence with CV and covering letter to sdoogan@wilsonwraight.co.uk

Closing date 18th March 2022
