

Working Farm Manager

We are retained to appoint a self-motivated Working Farm Manager on a progressive well-resourced farming business, growing 1800 hectares of combinable crops and maize.

Reporting direct to the owner, the successful applicant should be able to demonstrate:

- A proven track record in crop production, with an eye for detail and good timeliness.
- Exceptional communication and leadership skills.
- Relevant practical and organisational experience operating modern farm machinery.
- An ability to keep accurate records using IT/ Gatekeeper Software.
- A flexible approach and a willingness to learn new techniques.

An excellent remuneration package is being offered, including a house and vehicle.

Please apply in strict confidence with covering letter and CV to Roger Wraight:
